Business Arising from Minutes-

Sculpture Garden- Mark Jellicoe will be at school 4:00pm Thursday to dig 3 holes (no charge). Jeremy to cover holes with chairs so no one can fall in them. Poles going in first week of school holidays, concrete from Boral ready when we call them. Will need about 4 men to stabilize poles when concreting them in.

COLA- Chrissy met with Angela Daly (Assets Unit DoE) and Ellie, came up with final plan, approved, waiting on DoE to give the go ahead. Best option to enclose is with blinds x4 motorised \$10,800 installed on tracks. Waiting on Angela to get 2 quotes from builders. The build will be in 3 stages, Stage 1 walls, Stage 2 blinds, Stage 3 power. Angela needs money in advance before the works can go ahead. School can help to support the shortfall. Will try to chase up Angela by end of the week. If we can keep costs under \$30,000 no project manager required. Apple Day funds raised will go towards the COLA.

Treasurers Report- \$5060.84 as per bank statement 30th March, 2016 with one outstanding cheque to be presented for \$100.00, Total funds available **\$4,960.86**. See attached report.

Report approved by Sandra Grainger and seconded by Ron Grainger.

Principals Report- Annual School Report has to be submitted to the DoE by the end of the week. Then put up on our website. It must relate to our School Plan 2015-2017 that was set up by parents and previous Principal, Susan Matthews. Ellie ran through the ASR.

Thursday will have all 3 teaching staff participate in a 'Where to from here' planning day.

NAPLAN coming up next Term week 3 for Year 3 and 5 students. NAPLAN shows us snippets of information/trends and gives us useful insight to our students learning. Happy to have an information evening night explaining NAPLAN results if anyone is interested.

Apple Art Workshop – 2 days with Birte. Apple Pickers and Apple Diaries done. Double spread in diary to be displayed. Students to pick their favourites, Margaret & Birte to judge.

Parent teacher interviews, thank you to Graeme and Ashleigh. Ellie felt they were very informative.
