Dear Members,

On behalf of the TCFG committee I thank all members for your continuing support and cordially invite you to attend the 2016 Annual General Meeting of the Tallong Community Focus Group Inc. The AGM will be held on Tuesday, 20th September, 2016 at 7:00 p.m. in the Memorial Hall. Once procedures for the election of new office bearers and the committee are finished, we plan to open the meeting for general discussion of the status of the village projects given approval at the last AGM. A light supper will follow the meeting.

All relevant documents for the AGM will be posted on community notice boards and on the TCFG web site. Please note that all positions will become vacant at the AGM, and you are encouraged to join the TCFG Committee for the new term. Holding a place on the TCFG Committee is a voluntary position achieved by filling out a nomination form. I have found being on the committee an enjoyable and rewarding experience, either working for the community's benefit or simply socializing and getting to know other members and residents.

I take this opportunity to ask you to please renew your membership for the 2016/2017 year, if you haven't yet done so. In order for the TCFG to contribute to Tallong Apple Day Festival and other events like our own ANZAC Day ceremony as well as the various village projects, the TCFG asks for member support. We understand that people have jobs, families, hobbies and many demands on their time, and not everyone can attend meetings, but everyone can afford two dollars and fifty cents. Membership fees are deliberately kept low so that every person in Tallong can afford to be a member of the Tallong Community Focus Group. I also urge members at the AGM to join up with the Apple Day organizing committee or to set aside the time to volunteer on the day.

Kind Regards,

Lionel Willison

Vice President.
