

An MG Rover, ready for a run

Welcome to our Web Pages

The Tallong Auto Cruize Club was started by a small group of motoring enthusiasts on the 24/10/2015 with 11 people present at the first meeting. They were not just interested in old cars, as such, but all types and ages of motor vehicles and also wanted to enjoy the company of like minded locals in the village of Tallong and the surrounding area.

Now, you can also be part of this group. You do not need to own and run a Veteran, Vintage, or a Classic vehicle, you can have the very latest model, or anything in between with two or four wheels, and still join. We appreciate all forms of motoring and visit all types of related places of interest to our group. You can be of any age, from any walk of life, and still fit in and enjoy the outings, both social and motoring oriented, while making new friends with similar interests. In these days of political correctness I suppose that I should also state that we are not gender influenced or biased either.

One members Jaguar

We meet at our Meeting Rooms at 12 Mulwaree Drive Tallong 2579 on the second Monday of each month at 7.00pm, and anyone interested can attend and help us to plan our calendar of events for the future. You will also hear reports from members concerning the events and outings that we have recently attended. You are more than welcome to attend.

It may be a good idea to contact our Convenor, on 4841 0455, or our Secretary on 4841 0727 or 0404871940, if you do plan to come along, as the meeting sometimes may be postponed to another date or time. Also, if you live outside Tallong Park Estate, you may need to have the estate Entry Gate opened for you when you arrive, so, call ahead so this can be arranged. The Club plans to have outings each month, with one every two weeks or so. Usually we will arrange one "Brunch Run" on a Sunday, one "Lunch Run" midweek, a "BBQ Run" on a weekend, and outings to various Car Museums, Car Shows and other interesting places members suggest from time to time. Consequently, there is something for everyone, at a time to suit their lifestyle. Check out our Run Sheet on the page following to get some idea of when these runs might typically take place. You do not have to be a member to come on a run either, just let us know you are coming, and we will look forward to meeting you.

Web Calendar Run Sheet
