Term 4 - Week 10

Wednesday, 11 December 2013

Principal's Report

This is the last newsletter for the year. We are very much looking forward to our end of year activities and for many parents and volunteers to celebrate these with us.

School starts back on Wednesday 29th January for students and at this stage we are just on the number required for 3 classes. We will not however formulate classes or recruit a third teacher until school has returned.

I have not had any firm commitment from the department about delivery of a demountable building and so decisions about classes and locations will be made once we return.

I would like to wish all our families and community members a safe and happy festive season.

S. Matthews
Principal

Pool / Xmas Party

On Wednesday 18th December we will celebrate the end of year with a pool/Xmas party. K-2 students will go to the pool from 9:30am till midday and 3-6 students will go to the pool from 12:30pm - 2:45pm.

We are looking for parent volunteers to help walk students to and from the Tallong Park Estate pool and help supervise in the pool area.

The P&C are hosting a BBQ for the students at lunch time on the school grounds. Parent volunteers to assist with the BBQ would be also much appreciated. Please let the school know if you can give a hand either at the pool or with the BBQ.

Student swimming ability will be determined using the end of swim school assessments. Coloured wristbands will be given to students to wear during the pool visit which will indicate their swimming ability. **Students who were in Miss Matthews' group for swimming are required to bring a floating device with them for use on the day of the pool party.** *Please make sure your child's permission slip has been returned for this event.*

Centenary Celebration

In 2014 Tallong will celebrate 100 years of education on the current site of our school. In 2015 Tallong will celebrate 150 years of education within the Tallong area.

A very productive meeting has been held and the committee is blessed to have some local people who can bring a depth and wealth of knowledge to our event.

We are interested in any person/s with a past connection to the school, or who have some further contacts or details of people with a past connection to the school, or local knowledge and/or memorabilia, to contact us in order that we might be able to create a grapevine effect on gathering as many past and present people back to Tallong to help us celebrate this event. The event is earmarked for early October 2014.
