Boral Kite Competition

We have been approached by Boral to participate in a kite decorating competition in aid of the Marulan Kite Festival this Sunday 21st October.

Boral have donated all the kites to be decorated and the classrooms have been busy making them as colourful as possible. They need to be completed and returned to school by Thursday ready for Boral to collect at 1:00pm for judging.

The kites will then be returned to the students on Friday so they can take them along to the festival on Sunday and are invited to fly them on the day.

Prizes will be awarded on the day for the best decorated kites and the 'Best Overall' will win \$500 for their school!

Every student that decorates a kite will receive a small prize donated by Boral.
