## Relieving Principal's Report

Our first of three Kinder Orientation days is on tomorrow. New Kindergarten students will be here from 11:30 – 1:00, having a little taste of life at 'big school'. I am very much looking forward to meeting all of the children, and I trust that all existing students will look after them and make them welcome. 😊

Thank you.

L. Matthews  
Relieving Principal

## SRC Update

Thank you to everyone for your support of the first Freezing Fun Friday for the term, assisting the SRC to raise \$16. It is wonderful to have an SRC in the school, and for students to be involved in raising funds for things they would like to see in the school. Congratulations to the SRC for their commitment and hard work. 😊

## Goulburn Oratorio

Miss A has put out a desperate plea for our help! On Sunday 3<sup>rd</sup> November, Goulburn is celebrating its 150<sup>th</sup> Anniversary with the *Goulburn Oratorio*. Miss A is wondering whether students from Tallong could come and share their beautiful voices with the people of Goulburn, as part of the large choir that will be accompanied by a 100 piece orchestra. They are learning the songs at school, but there are a couple of rehearsals they could attend as well. Please see details below. ***If your child/children are able to be a part of this, please send a little note in for Miss A on Friday.***

**When:** Sunday 3rd November  
**Time:** 7pm - 8:30pm (the children would need to be there at about 6 – 6.30pm)  
**Where:** St Saviours Common, Goulburn

**Dress Code:** All black

**Rehearsals:**

**3-6 Kandinsky Artworks**

Year 3-6 have been learning about Wassily Kandinsky and his artwork.

*“We first drew and ruled up shapes and lines on a piece of paper. Then we got some*

*coloured pencils and shaved the colour off them on and into the shapes. Once all the shapes were coloured, we then used water colours paints and painted over the shapes. Finally we outlined our work in permanent markers”.*

**Monique**

*“Kandinsky was born in 1866 Moscow, Russia, he learnt music as a child and played the piano and chello. He became an artist in 1896 painting abstract art.”*
