Term 4 Week 9

Wednesday, 5 December 2012

Principal's Report

Once again I say thank you to our wonderful parents who support our school programs via attendance at events and this was true again of the many parents and students that attended the GRC concert on 2nd December organised by our very talented music teacher Miss A. What a wonderful, fun event.

Thank you also to the Jessie Carey and Tracey Hansen who braved the wind to come orienteering with their children to wrap up the 5 weeks of orienteering activities that Miss Amy Sando has been so expertly coaching during after school clubs. The students have thoroughly enjoyed the varied activities and skills sessions.

A reminder that afterschool programs conclude this week and return next year in Week 3.

Surveys

I am currently reviewing school plans and making adjustments in readiness for 2013. To assist with this process I ask that you complete the survey attached to this newsletter and return it in the envelope provided at your earliest convenience. Results of the surveys will be reported on in the 2012 Annual School Report and provide feedback to inform future planning.

End of Year Evening Plans

On the last day of Term 4, we have a fun filled evening planned:-

Year 6 students and their parents are invited to attend a Farewell Dinner at 6:00pm.

Years 3-5 students are also invited to attend the Year 6 Farewell Dinner. Invitations attached to this newsletter.

Following this at 7:30pm, for **all students**, is our End of Year Disco. Invitations have been attached for K-2 students only as the 3-6 students will already be at the hall attending the Farewell Dinner.

So put on your dancing shoes and get your dance moves ready.....for a great night!

Music Tuition Term 1, 2013

We ask that you advise the school via the Expression of Interest whether your child will be continuing with private music lessons in Term 1, 2013 OR whether your child would like to participate for the first time in this program.

We currently have 11 students involved in this program with tuition delivered by Miss A on Thursdays and Fridays for 30 minutes of individual instruction per student.

Tuition could be in guitar, saxophone, clarinet, piano or recorder.

This has been a valuable program providing tuition in school time negating the need for travel and time spent after school hours to access music lessons. Please fill in the expression of interest form attached to last weeks newsletter and return to school by 7th December, 2012.

TCFG XMAS PARTY

A **BIG** reminder to all parents whose children are attending the Xmas party this Saturday. Please, please, please get your RSVP's in ASAP!!!!!! It is hard to cater for an event without an idea of numbers.

A note from Miss Sando regarding being a coach for Active After Schools.....
Miss Sando is moving and won't be able to coach next year but here is what she says to anyone with skills and knowledge of any sport.....

*"The course is only 4-6 hours in total and you get all the activities and games given to you in a neat package. They are easy to do with the kids and lots of fun. There is lots of help supplied by the coordinators and **NO** you don't need an ABN or insurance. It is all covered by the school as a provider. So give it a go, have fun...and get paid!! See Mrs Matthews this week to express your interest!"*
