

TALLONG COMMUNITY FOCUS GROUP NEWSLETTER ~ March, 2019

~Welcome to Autumn! It's been a very busy time over the last few months behind the scenes, with plans for the history signs progressing. Signs have been made and will be installed shortly, with history information to be added in the coming months. Thankyou to Programmed Marulan, Alan Weston & Janet Black.

Thank you to those who helped clean up Tallong on the 3rd March 'Clean up Australia Day', and to Bel & Magnus [Divergent Church] for providing a lovely lunch afterwards for the hungry and thirsty volunteers. Thank you to Kerry and the Hall Trust for organising this for our community and to those who continually clean up our village!

~After a very hot dry summer we have been busy weeding, mulching and tidying up the Jim Watling Walkway and Memorial Park. You will also notice preparations underway for the Gazebo, to be installed in the coming months. Many months ago the Tallong community was allocated \$30,740 to improve our village. Work will also start shortly upgrading the Tallong Memorial Hall electrical supply, and a new water tank will be installed- thanks to our stronger community grant.

~The Tallong Picnic Reserve Trust- Several local community members have applied to be on the new Trust Board, currently being processed by the minister. For those of you who are asking what Picnic Reserve, we will provide some history information in the next newsletter. Once the new trust board is official there will be a community meeting to discuss the future plans and an opportunity for those interested to become involved.

~ We are hopeful to be successful in this round of the Veolia Grant for our application to install an exercise park in Tallong. You may recall this has been on the agenda for a while. We needed [like with most grant applications to make a community contribution] which we have been fundraising for with – Auction of the Budgie painting [thankyou to the Midge for organising this] donations and postcard sales at The Midge, The Tallong Community Footy Tipping Comp, The Election BBQ and Cake stall. Let's hope we can make this happen!

~ **Anzac Day - on Thursday 25th April at Tallong War Memorial and Hall, the service will start at 10.30am and afterwards we invite you to join us for morning tea. All welcome!**

NEWS FROM THE TALLONG FIRE SHED

Contacts: Jennifer McNulty – Community Liaison Officer – Ph: 0431595413

Michael Trevisiol – Brigade Captain – Ph :0435086775

Bush Fire Danger Period extended:

The NSW Rural Fire Service (NSW RFS) has extended the statutory Bush Fire Danger Period in the Southern Tablelands area due to continuing dry conditions.

NSW RFS Superintendent Peter Alley said the Bush Fire Danger Period usually ends on 31 March, but had been extended this year due to prevailing weather conditions in the Southern Tablelands area.

Please contact Brigade Captain Michael for further information and obtaining fire permits in this period.

AGM Time: It is that time of year again for the Tallong brigade to hold its Annual General Meeting. All are welcome, **Tuesday 9th of April 7:30pm (sharp), Tallong Hall.**

2019 Get Ready Weekend –Save the Date!

Get Ready Weekend provides an opportunity for members of the community to meet their local fire fighters, learn about local risk and understand what they need to do to prepare for the bush fire season. It is also an opportunity to encourage residents to discuss and review their Bush Fire Survival Plan.

Get Ready Weekend will be held on **Saturday 14 -Sunday 15 September 2019** at Tallong Fire Shed, Memorial Ave, Tallong. The whole team will be there from 10:00am Till 2pm to ensure all your questions are answered and you leave knowing you are ready for the up and coming 2019 bushfire season.

Volunteering with the RFS

Joining the brigade is easy and opens up many opportunities, such as learning new skills, meeting new people, access to the extensive RFS training programs and the chance to assist your community. Joining the RFS isn't all about fighting fires. So, even if you think you are not up to being on the fire ground, we also need members for essential catering, communications and administration roles to assist our crews
