

JULY NEWSLETTER 2019

After a couple of busy months it's time to let the community know what we have been doing!

~We have held 2 **Election BBQ'S** at the hall, which were both very well supported. Thankyou to the volunteers and to everyone who purchased our yummy cakes, sausage sizzle or bacon and egg rolls, all profits go towards improvements and maintenance in our village.

~**Anzac Day** was again very well attended and thankyou to our guests Geoff Kettle, Deputy Mayor Peter Walker, Staff and students of Tallong Public School and Fran and Richard Bosley-Craft for always being involved in our service.

~**Movie Day** in the school holidays. We invited local children to a free popcorn and movie afternoon at Tallong Memorial Hall. Thankyou to those who supported this initiative also to Kerry and Troy for setting up the movie on the big screen and the Hall Trust for allowing us to use the hall.

~We have worked with our '**Volunteers from Berrima**' on many occasions over the past few months beautifying our local park and surrounding grounds. Last year we planted 200 plants and the ladies have been looking after them, weeding, cleaning up the walkway, mowing, moving piles of mulch and generally helping out with anything needed. A huge thankyou to them for their support to our community.

~The TCFG would like to congratulate the **Tallong Apple Day Committee** for their successful organisation and running of the festival. Many of the committee members are not involved in the TCFG committee so I would like to recognise and thank them-Geoff Clarke, Faye Dankwardt, Pam Crochrane, Lesley Schneider, Maureen and Rodney Hollow, Bel and Magnus Agren for your outstanding efforts for the 2019 festival. I will also take this opportunity to again thank the wonderful committee members of the TCFG for their continual support and enormous contributions to the Apple Day festival-Kerry Lawrence, Troy Brown, Jeremy Porter, Jack Watling, Todd Turner-Sow, Lee Mayhew, Mark Jellico and Guy Lewis. An extended Thankyou to all the volunteers families for their help and contributions and a special mention to Brandon and Joshua Porter for the MANY hours they contributed prior to the festival with the set up and also packing up [which takes many hours].

~**The Tallong Documentary Premiere** was held at The Memorial Hall and was attended by many locals plus we were delighted to welcome Mayor Bob Kirk, Deputy Mayor Peter Walker, Counsellor Carol James, Holcim representative Richard Savage and many sponsors of Apple Day. The evening started with a delicious supper and a wonderful display of photo's from past Apple Day's including the first Apple Day! It was wonderful to see so many guests delighted with the displays which included over 700 photo's [courtesy of Harvey Norman Goulburn]. The Documentary was shown showcasing the wonderful village in which we live in 'Tallong' It's a look at the history of Tallong and the importance of Apple Day and why we have it! Thankyou to those who took part in the 2 days of making the video and to Avon Dissanayake for taking the time to come to Tallong to produce it. Thankyou to everyone who attended the Premiere, a great night was had by all! For those of you who havn't seen it yet, if you google Tallong Apple Day Documentary you should be able to see it or you can see it on our FB pages[TCFG & TAD].

Now to what's next!

~Over the coming weeks the **Gazebo** will be installed in the Walkway garden, after months of liaising with GMC and having to obtain a DA approval.

~The new **water tank** will be installed, for the Memorial Hall and a full **electrical upgrade** of the hall will commence.

~You may have noticed the **4 new signs** that have been installed in between the garden beds in the park? The history information is currently being finalised [8 panels] thankyou to Janet Black for the enormous amount of work on these and Alan Weston for your contributions. We look forward to many locals and visitors take the time to look at and learn more about Tallong's History whilst walking around our park and beautiful natural walkway.

~We have been working on a **local map**, with places of interest in and around Tallong. The new map will be installed next to the BIG APPLE.

~ We will continue beautifying the walkway gardens once the gazebo is installed by including solar fairy lights on the gazebo and planting out the surrounding area with some native flowering plants and mulching.

~The TCFG are in the process of applying for a **10 year lease** on the crown land [known as the corner block] on Highland Way opposite Railway Station.

~The TCFG will commence applications to GMC to start on the next community project- **A Basketball/Handball Area** in the park.

~ **The Exercise Park** in Tallong is still on our agenda and hopefully this will be an addition to our everchanging park area in the months ahead.As they say all good things come to those who wait!

~ The committee will also be applying for grants- for the Apple Day Festival 2020 and for other community projects in the future.

~The TCFG will be working with the **Memorial Hall Trust** in preparations for a community celebration for the Centenary of the Tallong Memorial Hall next year. This will involve the whole community re- creating a photo from our history collection.

~**The Tallong Picnic Reserve Trust**- Several local community members have been accepted by the minister for the Trust Board. Once the AGM is held and the new trust board committee is official there will be a community meeting to discuss the future plans of the Barbers Creek Picnic Area and Sports Ground. The first trustees meeting was held July 10,1920, in subsequent years the Barbers creek picnic area was a very popular swimming area. The Tallong Cricket Club established the cricket ground in 1932, with well known cricketers Bill O 'Reilly and Donald Bradman playing there during the district cricket competition. Members of the Tallong community fought hard many years to have the areas returned to the community after council used part of the area as a waste depo for many years. We acknowledge past members for all their work and commitment to maintaining a special part of Tallong's history. We are currently researching more on these areas and will feature them in the next newsletter and The Tallong Twitterings.

DIVERGENT
CHURCH
TALLONG

Gathering Dates
23rd June
7th July
21st July
4th August
18th August
1st September
15th September

Divergent Church Tallong meets every second Sunday at 4.27pm in the hall. We have a time to share and encourage each other, a time of fellowship and enjoy dinner together. All are welcome- there is a kids church that we have in the hall with plenty of fun and games. A friendly group of locals that love Tallong. Contact Bel and Magnus Agren on 0439450792,
tallong@divergentchurch.com

Country Women in Action!!!

Did you know there is a local branch of the Country Women's Association in Marulan?

Well, there is, and we meet every 3rd Wednesday of the month, at 1pm. At 28 George St Marulan. In fact, the branch has been meeting since 1951, pursuing our interests, which are varied, such as cooking, handicraft, cultural activities and studying various countries. Some of our members also volunteer and are regulars at both Tallong and Marulan schools. You could join us, and have some fun!!

So if you would like to meet women who love to have a laugh, maybe do some craft i.e. knitting, crocheting, come along to one of our meetings.

We also have some great guest speakers throughout the year who talk on many interesting subjects, for instance, at one meeting our guest was a pilot from the Angel Flight organization. So, we are not just about tea and scones, and if you think you might like to find out more about us, and CWA, come along to one of our meetings and join in the fun.

For more information, you could call Faye on 4841 0727. Anytime she is not out having fun. (If she is, leave a message!!)

— Pride in our Past — Faith in our Future —

St Stephens's Anglican Church Tallong

The Church has a weekly service on Sunday's at 10am.
All Welcome.

For any changes please see notice at Church or contact
48836010

In 2018 TCFG kindly donated \$500 to the church to be
used for improvements [thank you so much].

We have decided to use the money to install a bell tower for our bell that has been hanging in a pine tree for as long as I can remember. If some have heard a bell ringing on Sunday mornings at 9.50ish, the mystery has been solved. We started ringing the bell over a year ago and realized the tree is getting old and there was a need to make other arrangements for safety reasons. The project should be completed in the next month or so by our very small but committed group of parishioners during our working bees. *Alan Weston -Church Warden*

For those new to the area this is a free mobile library service from Goulburn Mulwaree Council. Contact the library for more info: 4823 4435 or 0498 007743

Share Our Space

Your school is a vital part of our community, and we want you to use it. During the school holidays participating public schools across NSW will open their play areas for your enjoyment, from 8am-5pm Mon 8 to Fri 19 July.

For more details and to find your nearest participating school visit schoolinfrastructure.nsw.gov.au

This is an initiative of the NSW Government.

men@shop

It is good to be able to get away from the Hurley burley of life, to just be yourself and to do the things you most like to do.

Some men are more than happy to be like that and don't need much company day to day.

However, as time goes by, some do get a bit lonely and the chance to make new friends, or catch up with some old ones, starts to look attractive.

This is where men@shop comes in.

men@shop is where men can come and have a cup of coffee with a group of other men, just like themselves, and have a relaxed chat about whatever interests them.

NEW SOCIAL GROUP- MEN@SHOP

Men@shop is gathering of men at various cafes/shops in the southern villages. We can't all make it every week but there is always a few at each meeting, enjoying a tea/coffee and general discussions on any topic that concerns you that you wish to chat about!

Men@shop meets on the 3rd Wednesday at The Midge Tallong at 10.30am

Men@shop meets at Ye Olde Bicycle Shop Bundanoon at 10.30am every Tuesday

Join us at the "Big Table"

Men@shop meets at The Exeter General Store at 10.30am every Thursday

Join us at the "Big Table"

*** ALL WELCOME TO ONE OR ALL ***

Tallong Rural Fire Brigade, Memorial Ave, Tallong, NSW, 2579

NEWS FROM THE TALLONG FIRE SHED

We have been doing some intensive training this winter at the shed on Tuesday nights. We are all brushing up on our skills for the up coming summer [hopefully we won't need to use them].

We have a great group of committed volunteers, and always welcome new members 'the more the merrier' so they say! If you have been thinking of becoming a member, you are invited to join us on Tuesday nights at 7.30pm. We can answer any questions and provide you with all the information to join!

We hope to see all residents at the Fire Shed on 24th & 25th September for the 'GET READY WEEKEND'. There will be an interesting exercise for the kids and lots of info for Adults!

The Brigade also has a fantastic raffle at the moment which will be drawn on the 'Get Ready Weekend'. Great prizes! Tickets are available from all RFS members and at The Midge. Please support your local Fire Brigade by buying a ticket.

Alan Weston

President of The Tallong Rural Fire Brigade

Boral Marulan South Operations

An update for the community through *Discover Marulan*

July 2019

Boral's Marulan South Operations is pleased to present our valued neighbours and community with this regular update.

Connect with Boral Marulan South

Quarry: 4841 1701
Limestone: 4820 3003
Email: feedback@boral.com.au
Environment (Quarry): 4841 1701
Hours: 24 hours – see website.

Marulan South SSD

Our Planning team is working to finalise the 'Response to Submissions' (RtS) document on the State Significant Development (SSD) proposal for Marulan South Limestone ahead of its submission to the NSW Department of Planning and Environment (DPE).

The RtS is a regular part of the assessment process and outlines Boral's position on matters raised through the public exhibition of the planning documents. For Marulan South, this includes issues raised at the public meeting held on 1 May in Tallong about water management, specifically the way in which the proposed water storage would be filled.

As pointed out at the meeting, the purpose of the new storage is to reduce (and eventually stop) the Limestone site's reliance on the Tallong Dam for the water we have been piping to the mine for almost 40 years. The proposed new dam will not be connected to the existing pipeline, so won't be used for filling it.

We're aiming to submit the RtS to the DPE by July 2019. It will then be available on both the Department's Major Projects website and our Marulan South Operations website (www.boral.com.au/marulan).

Boral Paving the way to Sustainable Solutions

Even though Boral Asphalt operations are not widely seen in the Marulan area, we wanted to share the great work they are doing in regards to sustainable road Construction.

Recently in Perth, the Boral Asphalt Team undertook the construction of a suburban street using waste tyres, plastics, glass and recycled asphalt pavement.

This was the first time, Boral has used four sustainable materials in asphalt anywhere in Australia.

Processed beyond recognition of their first use, the tyres are similar in size to sugar, the glass is crushed to the size of tiny pebbles, plastic bottles are converted into flakes to the dimensions of rice and the asphalt pavements of Perth's former roads are recycled into aggregates.

Instead of likely being sent to landfill, the recycled materials used in the 500-metre street were the equivalent of:

- **58,000** 600ml plastic water bottles
- **316** tyres from 79 passenger cars
- **37,500** glass beer stubbies

The project was done in partnership with the City of Canning. It follows a successful trial of using plastic in asphalt in Stockton, NSW, earlier this year. Further trials will be held around the country as Boral continues to explore the use of sustainable materials in our roads.

Peppertree Quarry Community Consultative Committee

The Peppertree Quarry Community Consultative Committee met on the 12th June 2019 to review the quarry's operations and environmental performance since the last meeting in February 2019.

A copy of the minutes and the presentation are available at our Marulan South Operations website (www.boral.com.au/marulan).

More information? www.boral.com.au/marulan.

Like us on Facebook – [@BoralAustralia](https://www.facebook.com/BoralAustralia).

Want to do something Interesting?

Well, it will be interesting if you are interested in motor vehicles of any kind, Cars, Trucks, Motor Bikes or anything that has wheels and a motor really.

Tallong has a Car Club in which all of the above play a part. We have members from inside the Park, in the village, in Marulan and other areas. As a small group of interesting people we get together socially for some fun times during each month. What do we do? Well, we go out in our vehicles once a month for either a Brunch or Lunch to a local venue, we go to Car Shows and Swap Meets that are not too far away, and to other places of interest. Anyone can suggest a venue or some where to visit, and we decide where we will go at our monthly meetings, held in the TPA Office at the Village Green on the second Monday of the month at 7pm.

There are people who have a variety of interests in our group. Some are involved with Historic Vehicles of various ages, some compete in Hill climb events, others race Track cars, others rally cars in Rally events, others ride motor cycles, and others drive modern cars, and while we are not registered to issue Historic Plates (some of us belong to other Car Clubs that do) some do drive our Historic Cars on club outings, where we travel at the speed of the slowest vehicle attending, so no one gets left behind. For example we go to the Bentley Car Clubs Annual Charity Car Show Day at Bundanoon usually in July. This is a fabulous day with many different Clubs displaying all makes and kinds of vehicles.

Here are just some of the cars our members own and drive to or in events:

So, we own cars which reflect our various interests in motoring, from speedway, hill climb and rallying, to Historic, Classic and every day drivers. Now we know that in the district, there are a large number of others with special vehicles that are like those above. Why not come along and share your experiences with the rest of us, and tell us how you came to get your special interest vehicle. We certainly would like to meet up, chat, and, who knows, we may just be able to point you in the right direction for that special part or that business that we know can do the job properly and at the right price. It costs nothing to come along and join in, so join the Tallong Auto Cruize Club by emailing Cliff at cliffdanckwardt@hotmail.com or for more info, call 0404871940 or 48410727.
